

HINGED PADDED TOP

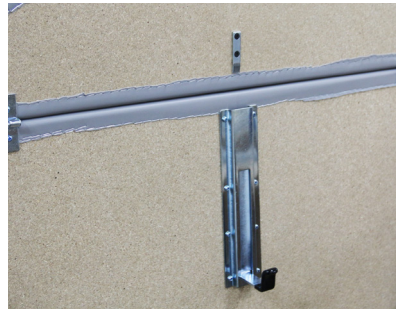

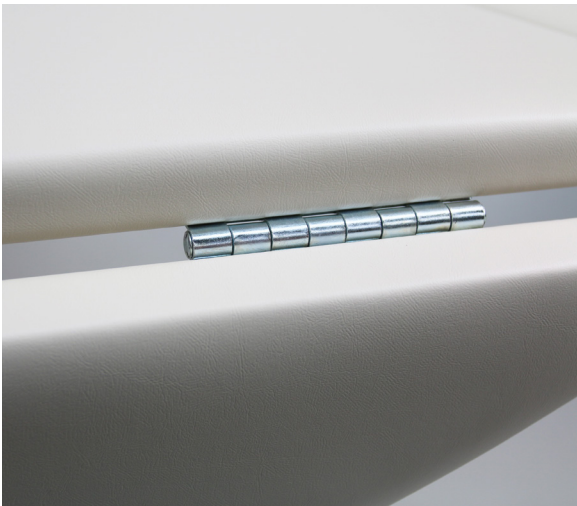

Having a hinged padded table gives you the flexibility to increase seating in a matter of minutes. Padded tops also help to eliminate chatter of dishes, offering your customer a quiet and fine dining experience.

DESCRIPTION

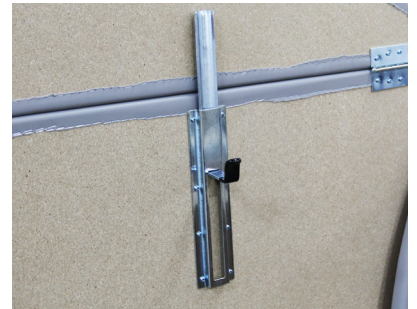

- Constructed with particle board wrapped with foam and covered with vinyl
- Standard in Garhyde White Vinyl. Available in any Garhyde vinyl color by request
- Foam comes standard .25" thick
- Overall thickness is 1.125"
- Folding panels are attached with piano hinges and secured with slide bars.
