FINISH

The beauty of a wooden chair is in the natural variation of the wood grain. Applying a finish over that protects and enhances that beauty. Choosing the right color comes down to the aesthetic that your project calls for.

UPHOLSTERY

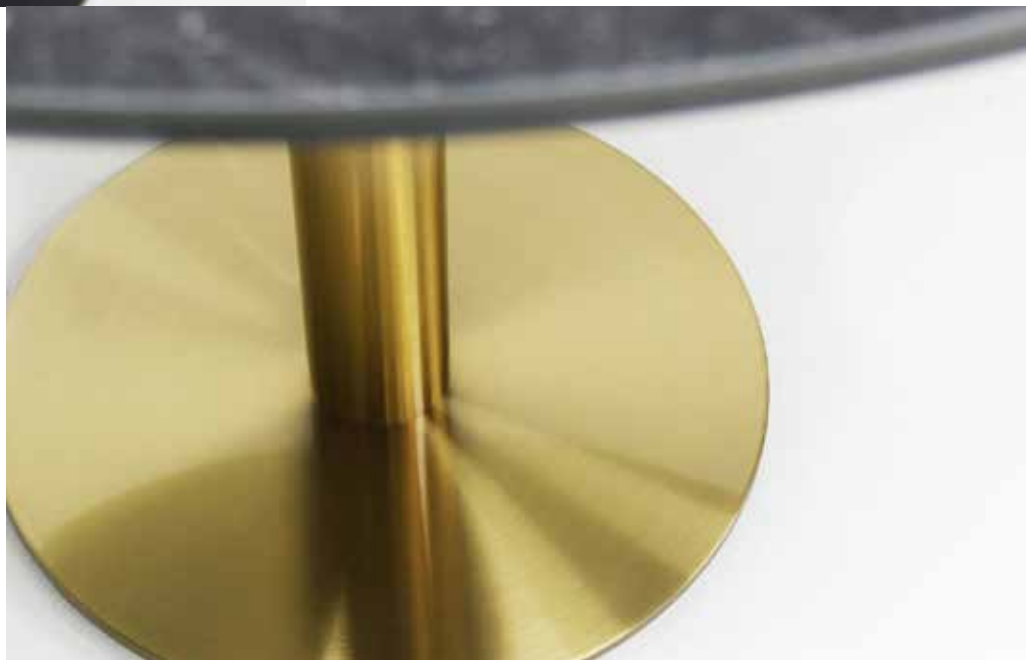

Deciding on a fabric for upholstery can be a daunting task. Should you go bold and vibrant, or maybe subtle and reserved? Ultimately, it comes down to the story you want your chair to tell for years to come.

TABLE TOPS AND BASES

THINSCAPE™ TABLE TOPS

THINSCAPE™ is a composite material constructed with layers of papers and resin creating a 1/2" thick table top that appeals to both contemporary and classic design choices. It is eco friendly, durable and can be used for indoor and outdoor use.
